

# BELLINGEN FC

## (Soccer Club)

**WHAT'S MORE IMPORTANT THAN THE WORLD CUP?**

## **GETTING INVOLVED WITH YOUR CHILD'S SOCCER TEAM!**

### **Why me?**

Bellingen Football Club prides itself on being a club where everyone can get involved and make a difference. Each season we depend on the participation of parents and volunteers to create a great soccer experience for every child.

### **How can I help?**

It's easy. Bellingen FC needs volunteer parent helpers, game leaders, referees and coaches. There's also fundraising, transport, equipment management, game day co-ordination and more - everyone has something they can contribute.

### **What do I need to know?**

You don't have to be able to bend it like Beckham, have any qualification or even have played soccer before to get involved. Parent helpers are essential to making our training sessions and game days an enjoyable experience for all.

Of course if you would like to assist in a coaching capacity, regular coaching training and certification courses are run throughout the season. And if you CAN bend it like Beckham, perhaps you'd like to join one of our senior teams!

### **What do I need to do?**

Simply fill out a volunteer form at the registration desk and a Bellingen FC team leader or coaching co-ordinator will be in contact shortly.
